*Growers of Dependable Trees and Plants*

---

## ANNOUNCEMENT

Throughout nearly a half century of continuous existence, this firm under the same management has put upon the market nursery products of the highest quality, the best which knowledge, skill, experience, effort and honest intent, together with favored soil and climatic conditions could produce. Thus, slowly but securely was established the high reputation of this firm and its products. A reputation, which is your best guarantee of satisfaction. The steady and splendid growth of the business from its small beginning to its present proportions is conclusive proof of this assertion.

Thus orders may be entrusted to us with full confidence that the three things indispensable to the purchaser will be forth coming; First, the genuiness of varieties; Second, vigorous healthy well matured trees and plants; Third, careful handling and packing; without which all may be lost.

### IN APPRECIATION

To our many patrons of the past, we just want to express our thanks and appreciation of your patronage and confidence, and offer you a continuance of the service rendered in the past. And it is our aim to add all the new plants to our stock as rapid as they prove to be meritorious, and to grow the best that can be produced.

### TO THOSE WHO DO NOT KNOW US

We will say that we are financially reliable, investigate us through any local bank or business house or the mercantile agencies. Our stock is dependable, reliable and trustworthy. We maintain a Landscape Department and can lay out, plan and plant a place, and give valuable information and assistance to those who want to do their own planting.

### TERMS ON WHICH SELL NURSERY STOCK

Cash must accompany all orders amounting to \$25.00 or less; a cash discount of 5 percent will be allowed on the total amount. We will ship larger orders C.O.D. providing 25 percent of the total amount of order is sent in cash. If the order is

shipped by express you may pay the balance to your express agent. If your order goes by freight you may pay balance at your bank, where you also will find the bill of lading which you present to your freight agent, who will deliver the shipment to you.

### **Note**

We will allow a cash discount of 5 percent on all orders large or small that are paid for in full before shipment.

### **SUBSTITUTION**

We will not substitute except by request to do so, some of our customers tell us to substitute in case we are sold out of some item they order, others do not want us to substitute, so please advise us your wishes when ordering.

### **OUR GUARANTEE**

All of our goods are guaranteed to reach you in good condition. Mistakes if made, will be promptly corrected, accept shipment, examine and count, on receipt, and notify us at once, should there be any errors, and notify carriers also of any damaged stock. This Guarantee not good unless above requirements are complied with. We do not guarantee continued growth, after they pass out of our hands we have no control over them. At prices we sell at it is impossible for us to guarantee growth or be responsible for them after delivery to our customers in good condition.

### **OUR LIABILITY**

We exercise every care in propagation and handling, to have every tree and plant labeled correctly true to name. It is however mutually agreed between the purchaser and ourselves that our liability under the foregoing is limited in amount to the original price received for same, or replaced without cost.

**EASTERLY NURSERY CO., Cleveland, Tenn.**

---

We are not responsible for any stock sold through peddlers who are mostly unscrupulous and often tell purchasers they are selling our stock.

We have no connection with any other Nursery, and sell no stock under any other name except our own.

**EASTERLY NURSERIES,**

Cleveland, Tenn.,

## APPLE TREES

The list of apple trees we offer herein have been carefully selected, after long years of testing as the best for the Southern States, which includes varieties from the earliest to the latest ripening period, and will give good results with proper care.

### OUR SELECT VARIETIES

**DELICIOUS**—Winter, brilliant dark red, shading to yellow at the blossom end. Flesh white and tender. Excellent quality, large size, ships well, tree hardy, and a strong grower.

**BLOOD RED DELICIOUS**—A red variety being a richer red color than the above variety. Otherwise very similar.

**GRIMES GOLDEN**—Ripens late fall, skin golden yellow. Flesh yellow rich and spicy, slightly acid one of the best autumn varieties.

**JOHNATHAN**—Late fall, skin brilliant red, flesh white, juicy, and fine grained. Size medium to large.

**LIVELAND RASPBERRY**—Fruit good size, clear waxen white, striped crimson, flesh snow white blooms late, is blight resistant, makes a good filler.

**PARAGON**—Winter. Size large; dark red, flesh crisp and juicy, resembling Winesap, but very much larger and a later keeper. Tree a strong vigorous grower, and productive. One of the most valuable for the South.

**STAYMAN**—Winter. Dark red skin, tinged with yellow, flesh yellow. Medium to large. Succeeds on poor soil, always dependable.

**TURLEY**—A large dark red apple of very attractive appearance. A type of Winesap, from the orchard of the Indiana State Horticultural society. Excellent for cooking and eating, and is a late keeper. Tree is a vigorous grower, well formed and an annual cropper. Better than Stayman in many respects.

## EASTERLY NURSERY CO., Cleveland, Tenn.

---

**WEALTHY**—Fall, skin almost solid red, flesh white or a little stained, juicy and crisp, medium size. Trees very hardy.

**WINESAP**—Winter. Bright red skin, flesh yellow. Medium to large. A regular annual bearer, and probably the most reliable variety for the south.

**YELLOW TRANSPARENT**—Ripens extremely early, skin clear yellow, flesh white. The flavor while slightly acid is excellent. Size medium to large, bears early.

### OTHER RELIABLE VARIETIES

Early Harvest	Red June
Duchess	Rome Beauty
Hackworth	Red Rome Beauty
Horse	Red Astrachan
M. B. Twig	Yates
McIntosh	Yellow Delicious
Maidens Blush	York Imperial
Magnum Bonum	Winter Banana
N. W. Greening	Yellow Siberien Crab

## PEACH TREES

### Select list of Varieties

**BRACKETT**—Ripens after Elberta, orange yellow skin, tinged with carmine. Flesh deep yellow, highly flavored, size large to very large. Freestone, a three point winner in color, size and quality. A valuable market variety.

**BELLE OF GEORGIA**—Ripens just before Elberta. Color creamy white, with red cheek. Flesh white with some red near the pit. Size large. Freestone. Succeeds well all over the country.

**CARMAN**—Ripens first to middle of July. Yellowish white skin, with creamy white flesh, slightly tinged with red, good size. Freestone, sells readily, and a good shipper.

**ELBERTA**—Ripens July 20th, to middle of August. Yellow skin, with deep red cheek. Flesh golden yellow, red at pit, firm and juicy. Size large to extra large. Freestone. The Leading commercial variety.

**HILEY**—Ripens 10th to 20th of July. Yellowish white skin, with deep red cheek. Flesh white and very juicy, large size, freestone. One of the best shippers. Very hardy.

### OTHER RELIABLE VARIETIES

Arp Beauty	Henrietta
Blood Cling	J. H. Hale
Blood Free	Krummels
Chinese Cling	Mayflower

4 to 5 feet.....	.60	5.00	40.00

## PEAR TREES

The Best Varieties for the South.

**EARLY HARVEST**—Tree is a very thrifty grower and good bearer. The earliest of the large pears; a month earlier than Clapp's or Bartlett. Fruit only fair quality.

**GARBER**—Resembles the Kieffer in size, and appearance, but better quality, and matures here in August. A thrifty grower and a valuable variety, as near blight proof as any.

**KIEFFER**—Late fall or early winter. Fruit large to very large, skin yellow with light vermillion cheek. Flesh brittle, very juicy. Most popular canning pear. Keeps well in ordinary storage.

### Other Standard Varieties

Anjou	LeConte
Bartlett	Seckel
Duchess D Angouleme	Pine Apple (or Dix'e)

If you do not find what you want in this list write us, we can get it for you if it is grown in this country.

Also we have quite a number of trees that are large specimens that are not listed herein. Write us in regard to them if interested.
